Areas of expertise

Commercial property transactions & disposals | Commercial & retail leasing

Overview

Hugh works with local, national and international private and corporate clients. He also works for government business enterprises and state-owned corporations.

Hugh works closely with his clients to provide practical and strategic legal advice and results-driven solutions.

Hugh is an affiliate member of the Tax Institute.

Experience

Hugh has extensive experience in providing advice on property acquisitions and disposals, due diligence, property development and subdivisions, commercial, industrial and retail leasing and housing projects. He also advises on various property related tax issues, including duty and land tax.
