Areas of expertise

Mergers & acquisitions | Corporate governance | Procurement

Overview

Brett works with both private and corporate clients, specialising in mergers and acquisitions and corporate governance and structures.

Brett also advises in relation to finance and security arrangements and has previous experience in commercial property acquisitions and disposals, and commercial and retail leasing.

Experience

Brett joined Page Seager in 2016. In 2019, he moved to London for three years where he worked as an in-house counsel for the United Kingdom's largest rolling stock company, specialising in large-scale leasing and procurement transactions before returning to Page Seager in 2021.
